Welcome Back Musicians!

Welcome back to our 2023-2024 season! We are looking forward to another exciting season of making music!

We have updated our Covid-19 protocols for members to match CDC protocols. Vaccines and masks are no longer required. We suggest that members not come to a rehearsal if you are not feeling well. Our primary concern is to protect all of our members and keep everyone safe. We are seeking help from everyone to gather advertisements and sponsors for our program this year. The support from local businesses and the community help keep our organization running.
